

ΡΟΥΛΗΣ Ο ΝΕΡΟΥΛΗΣ

...AND THE SUPERATHLETE STAVRAKIS !

One sweet early morning, Roulis walks carefree on a leaf!

Oh what a beautiful day!
My friend, sun is in good mood again!

He sees from far away, his friend Giannakis,
sitting alone very sad.

Johhhnnnnnnnyyyyyyyyyyyyyy!!!!!!

E?
Who is?

It's me, Roulis, your friend....
here on the tree...
sit down so I can roll on your hat!

Ok my friend!

So it happened! Giannakis stood under the foliage and Roulis dripped on his hat.

Yeeeeeee!
Perfect landing

Roulis,
what are you doing
here my friend?

I saw you sitting alone
and sad and I said to come and
cheer you up!

Thanks my friend but
I don't know if you can!

Roulis can do everything,
so tell me!

Well, I'm not good at running and
I'm always last in class when
we have races!

And that's why you're upset?
I am sure, that in a short time
you will be the fastest kid
in your school!

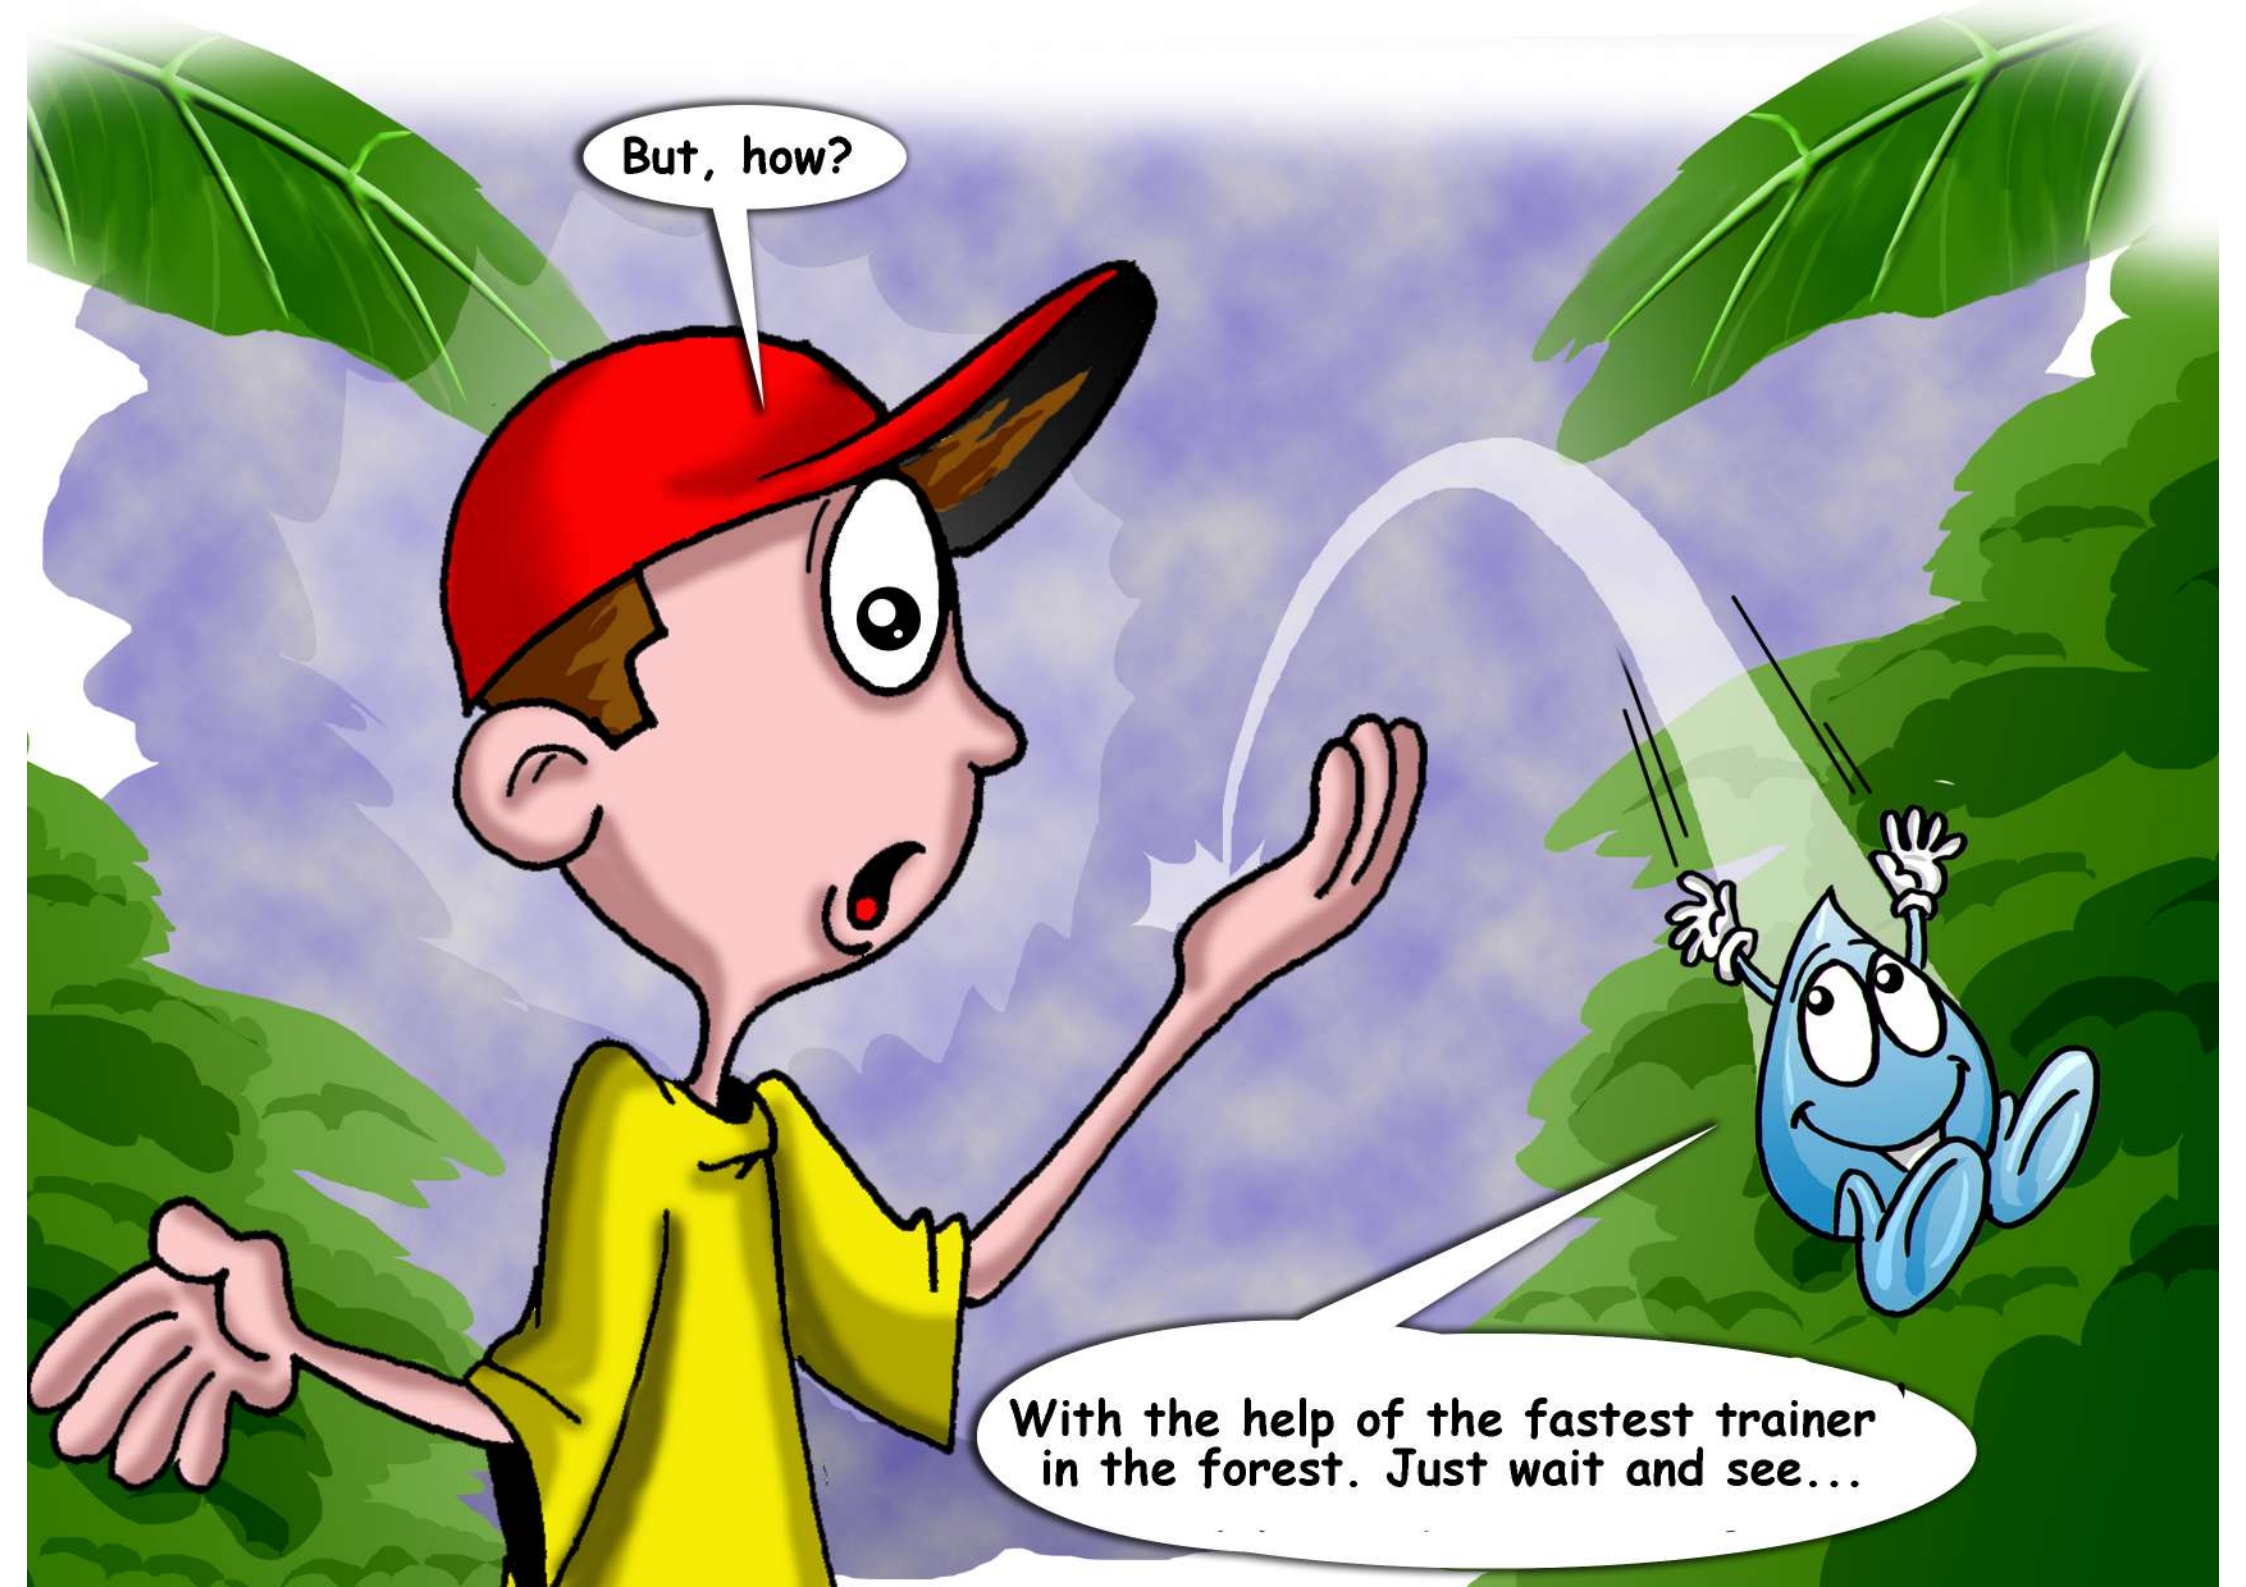

Faster than Stavrakis,
the school super athlete?

Of course!

But he is invincible... it is actually said
that there is no faster child in the
entire Peloponnese!

Until my friend Giannakis
wins!

But, how?

With the help of the fastest trainer
in the forest. Just wait and see...

After a while Roulis appears with Spithas the rabbit!

Here is your coach!
Do what he tells you and you
won't lose a time!

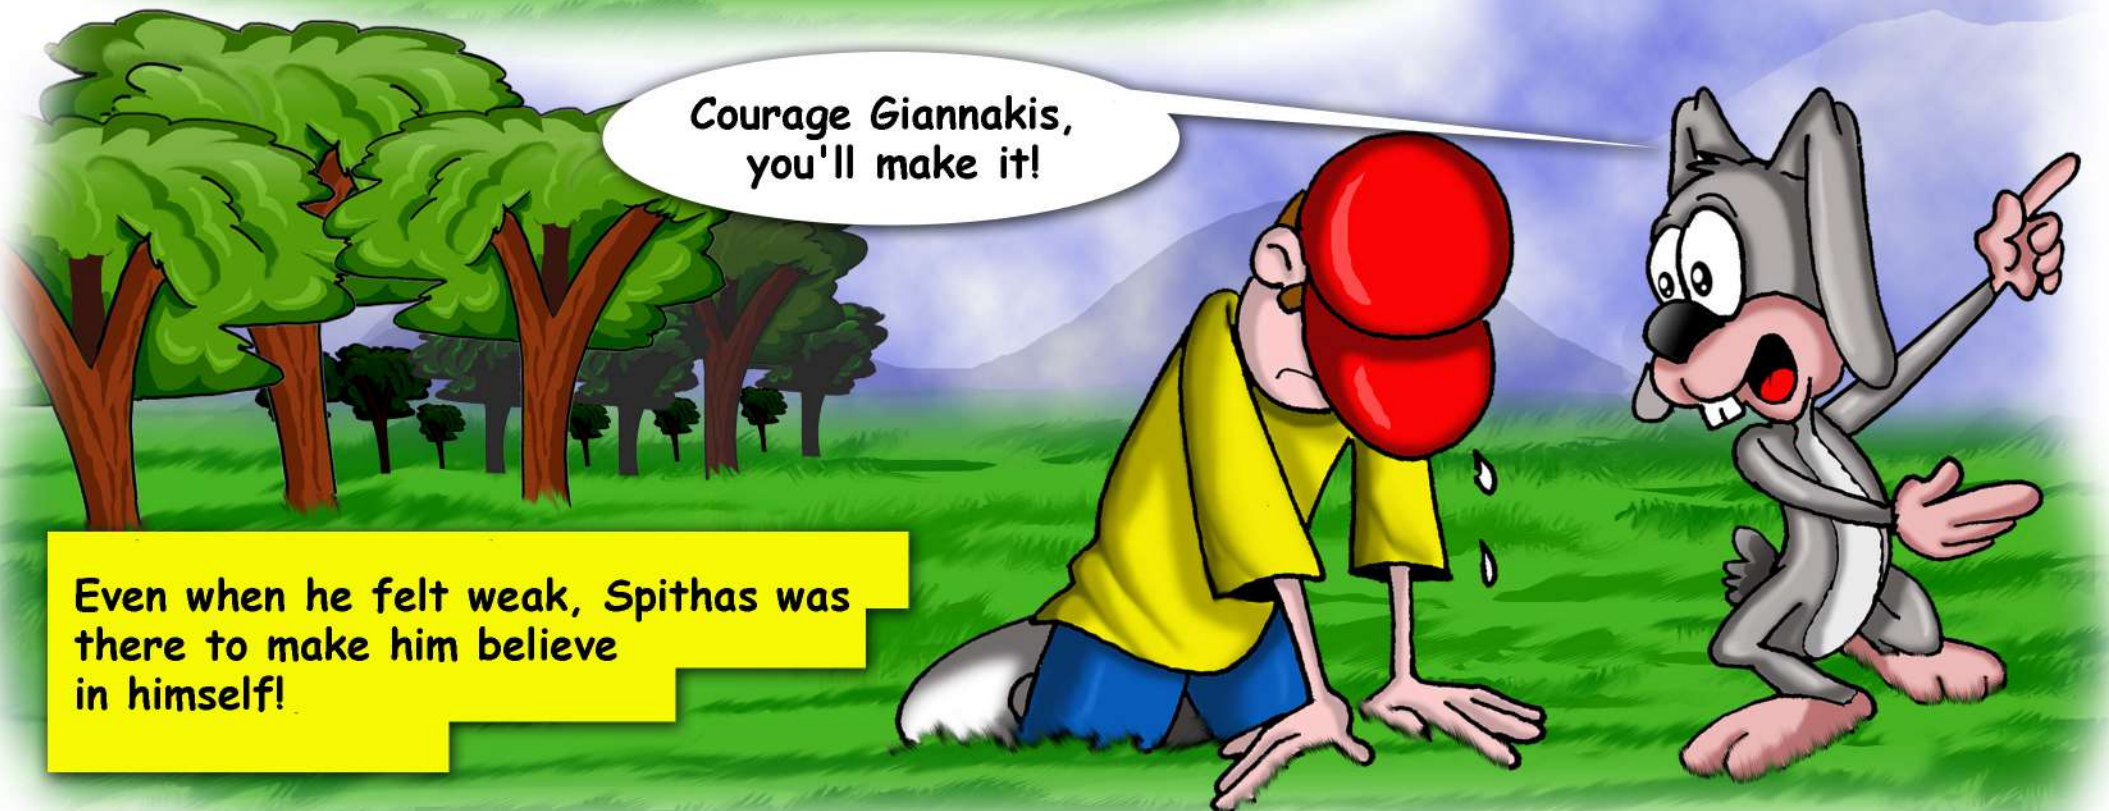

From now on,
you won't be afraid,
little one,
the others will tremble!

I can't believe it,
I'll do whatever you say!

Well done Giannakis

That's how it happened...
the training was tough,
but
Giannakis didn't
give up!
He did what the
fastest
animal in the forest
told him!

Courage Giannakis,
you'll make it!

Even when he felt weak, Spithas was
there to make him believe
in himself!

After the hard training of so many days, Giannakis is ready for the big challenge... the school races!

You are ready my friend, Spithas is proud of you!

Tomorrow at the races we will all be by your side!

Stavrakis you will tremble!

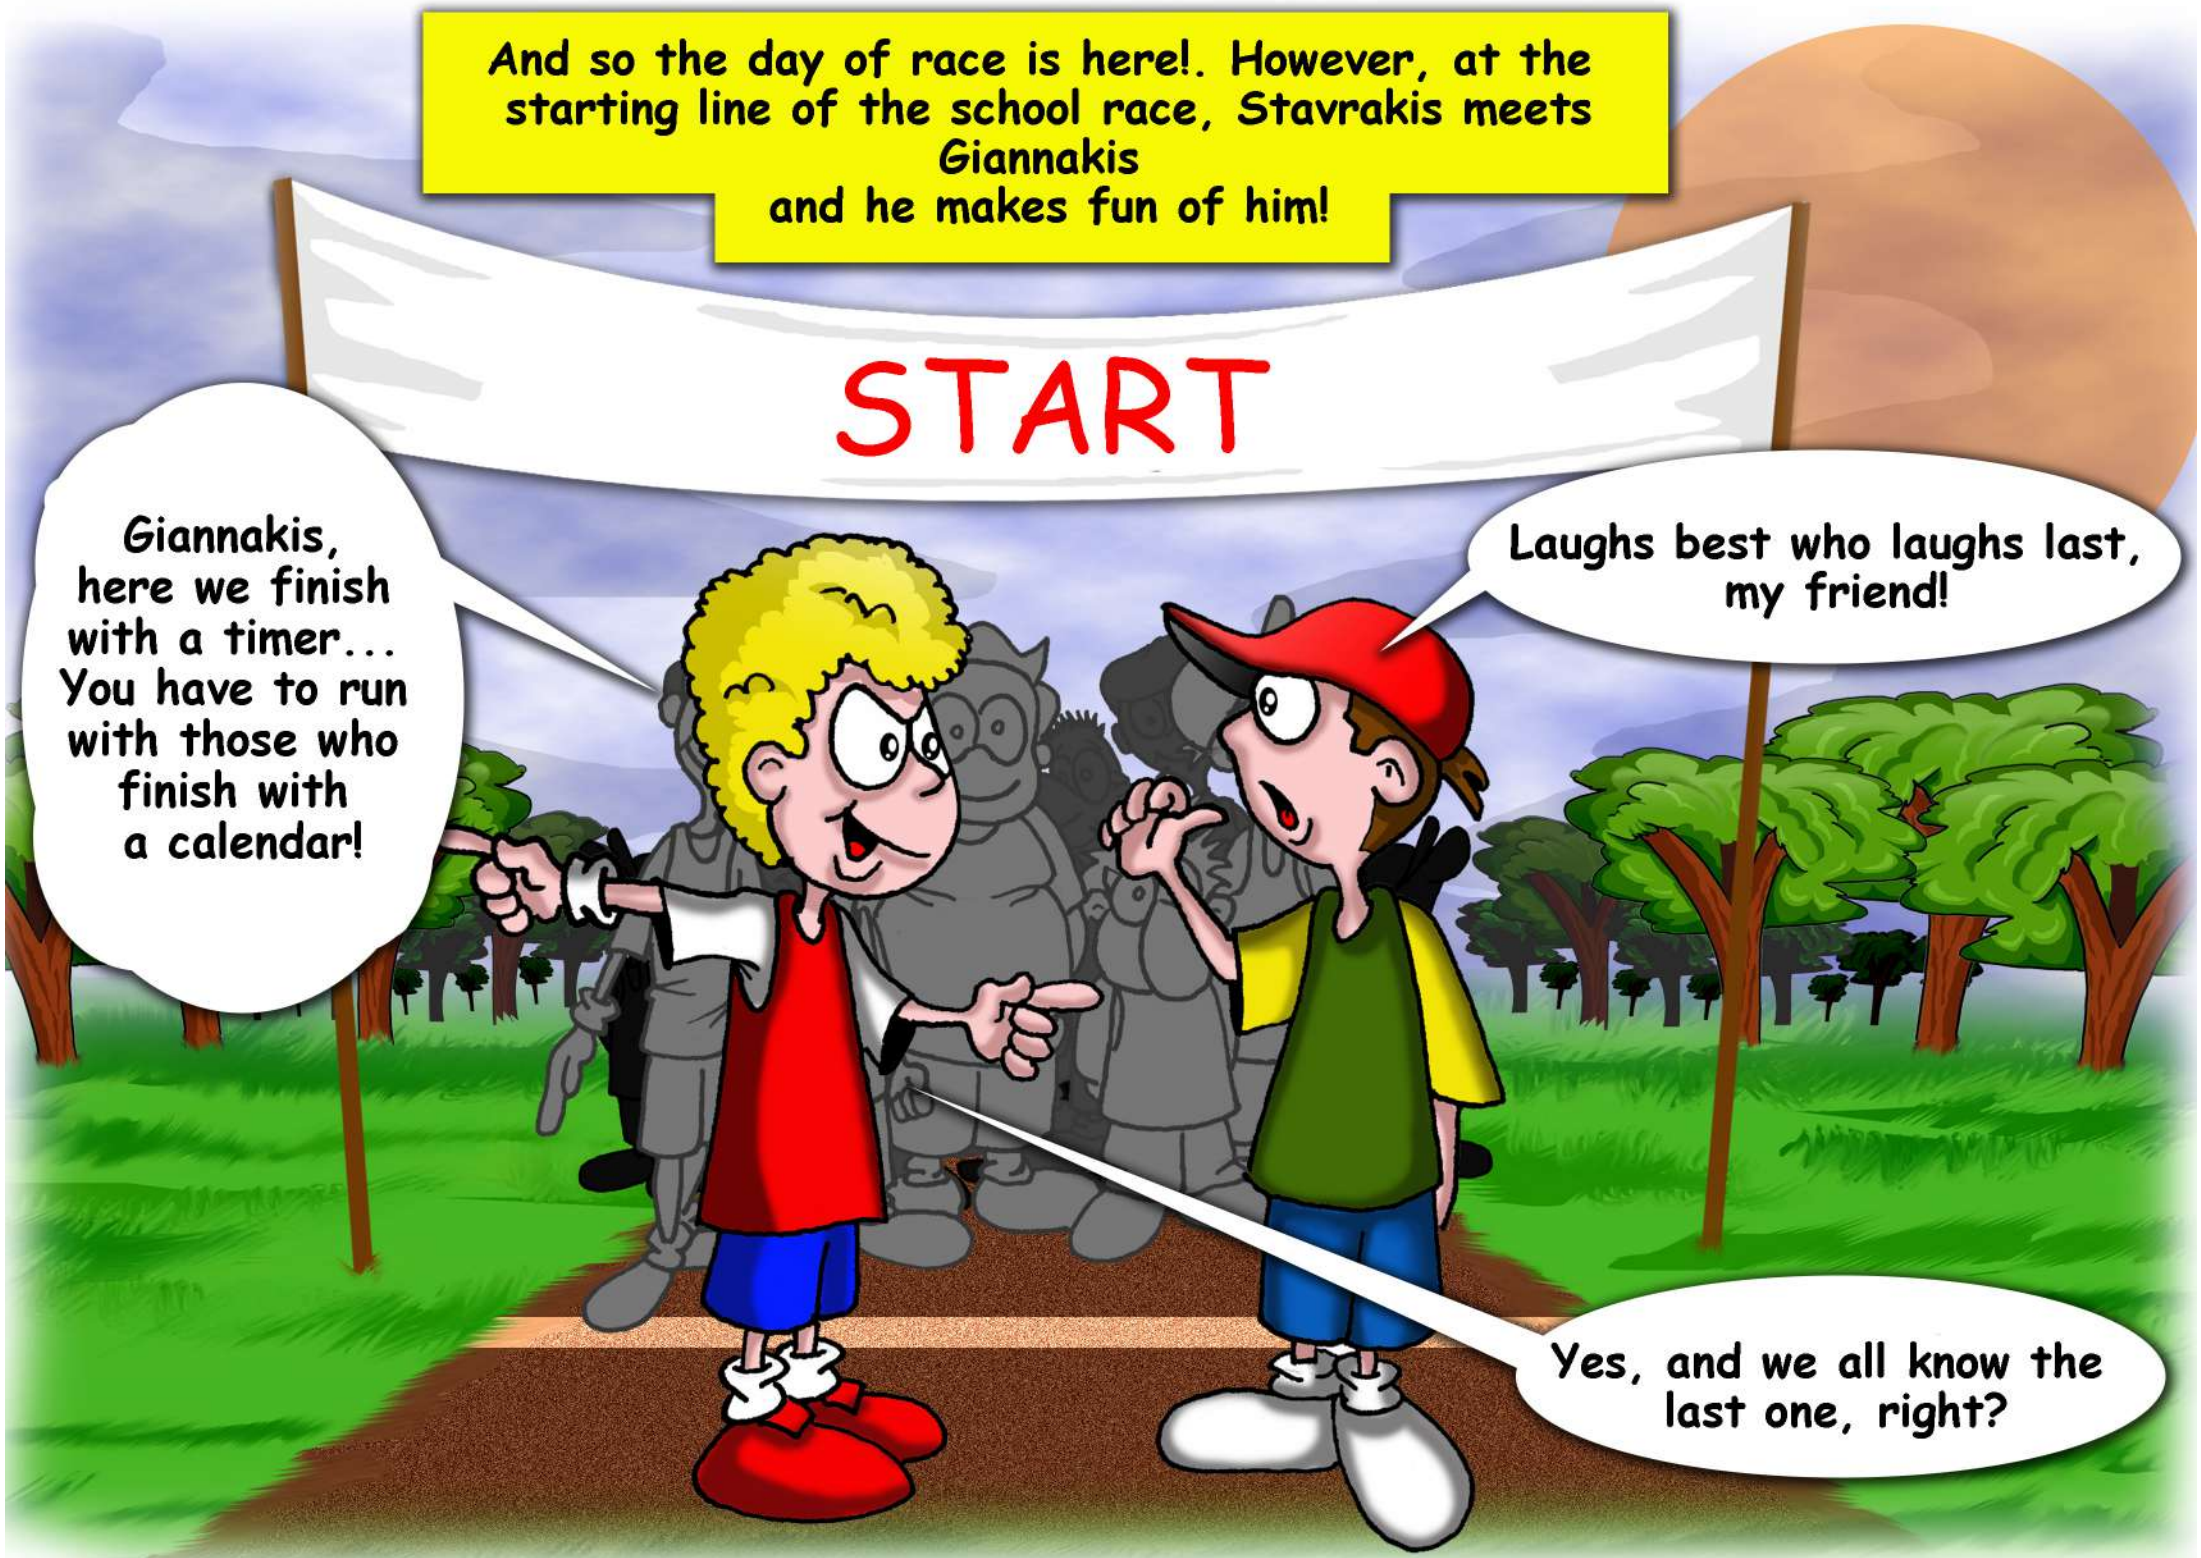

And so the day of race is here!. However, at the starting line of the school race, Stavrakis meets Giannakis and he makes fun of him!

START

Giannakis, here we finish with a timer... You have to run with those who finish with a calendar!

Laughs best who laughs last, my friend!

Yes, and we all know the last one, right?

The race begins and Stavrakis runs fast ahead of everyone!

Giannakis sees him running away and thinks.....

Run as fast as you can, Stavrakis, and fatigue will come quickly....

Run as fast as you can, Stavrakis, and fatigue will come quickly....

Indeed, after a while, Stavrakis is tired and Giannakis catches and passes him, finishing first!

I can't believe it!

FINISH

Now the last one is laughing
Stavrakis, isn't he?
hahahahaha

Roulis, Spithas, Gianakis and their friends celebrate the great victory!

Well done Giannakis,
you tried hard and achieved
what seemed impossible!

Thank you for teaching me that instead of crying about my fate,
it would be better to change it because I CAN!

All of us can do what we dream of,
we just have to try it and believe in ourselves!

How right you are,
my friend!
